# = number, % = percent of total number

Note: Release, source and cause information is based on information provided by UST owners and their agents. Source and cause data were collected using information documented in the IDEM ULCERS Database. The Number of

confirmed releases represents the actual number of incident numbers assigned by IDEM. Multiple "Sources" and/or "Causes" may have been assigned one incident number. These totals are based on the information provided at the time of the release report.
